Dear Colleagues:

ELIZABETH AND I ARE PLEASED TO INVITE YOU TO THE 68th Annual Meeting of the Southern Neurosurgical Society, which will be held February 22–25, 2017 at the stunning Four Seasons Resort Orlando at Walt Disney World, in Orlando, FL. You won't want to miss the memorable location and program in 2017.

Dr. Adam Arthur has curated an in-depth and up-to-date program focused on the changes and future potential in neurosurgery. We'll have senior-level lectures on endoscopy, tumors, spine, vascular neurosurgery, and more, with useful updates to guide your practice. We are honored to have W. Jerry Oakes, MD, as the R. Eustace Semmes Lecturer, Dan Barrow, MD, as the William Henry Hudson Lecturer, and Robert L. Grubb, Jr., MD as our Distinguished Practitioner. We are also excited to welcome Larry J. Sabato as our Downing Lecturer. Prof. Sabato is a New York Times best-selling author, winner of two Emmys, and one of the nation's most respected political analysts. He appears multiple times a week on national and international TV. A Rhodes Scholar, Dr. Sabato is the founder and director of the University of Virginia's Center for Politics, and the author or editor of two dozen books on American politics. Don't miss this engaging and timely presentation.

This preliminary program is your guide to all the course details, including submitting abstracts, completing your registration, booking your stay at the Four Seasons, and planning your visit. We always advise that you book your hotel rooms early, particularly if you plan an extended stay. Orlando offers a multitude of leisure activities for your free time, and the amenities and facilities at the Four Seasons are second to none, including a world-class spa, adult pools, and an exciting Kids' Camp program that is complimentary to all hotel guests. Our Welcome Reception, Family Night, Final Banquet, and Golf Tournament are annual favorites for reconnecting with colleagues and enjoying time with our families and guests.
